

Apprenticeship Application Process

RIVERSIDE

Experts in Specialist Fleets

At NRG Riverside we are looking for mechanically minded people with a positive / can-do attitude to join our Apprenticeship scheme.

We are looking for 12 Apprentices from the age of 16 to start with us on Monday 5th September 2022 at one of our depots (see list below).

When you join NRG Riverside, we want you to have a long career with us, so you will be given a permanent contract of employment (subject to the Terms and Conditions). You will work a 40 hour week and although pay is dependent on age, you will receive an increase each year of the Apprenticeship.

Here are the 9 steps of the Apprenticeship Application Process

- 1** Click the 'Apply today' link on our homepage to apply
- 2** Fill out the application form and enter the name 'NRG Riverside HGV Technician Apprenticeship' in the Programme field.
- 3** Submit your application online. Provisional closing date is 06 May 2022.
- 4** You'll receive an email confirming we've received your application and we'll let you know if there is any information missing.
- 5** Once we have everything we need, your application will be reviewed along with the other candidates.
- 6** We will be holding interviews between 8th-16th June at a depot near where you live.
- 7** If invited for interview, please make sure that you've looked at our website and read our Apprentices page.
- 8** If you are successful, we aim to contact you with an offer at the end of July / start of August.
- 9** As a new Apprentice, you will be provided with a uniform and a mentor, and will start work on 5th September 2022.

This is the start of your success story and we look forward to welcoming you to a rewarding career at NRG Riverside.
